Dear Kim:

The workshop below has been approved for graduate credit through the University of Sioux Falls for Summer 2022:

EDU_SDALL.16 Summer Summit 2022

Section EDU 545S.1 - registration deadline 08/01/22

1 s.h.

Participants now have the opportunity to register for these workshops on-line. This is the safest and most preferred method. They can go directly to <http://reach.usiouxfalls.edu> and search for the “SDALL” and a listing of the recently approved SD Association for Lifelong Learning courses will be displayed. The registration deadline is listed above. Payment must be made by e-check, credit or debit card.

For those registering by check or cash, participants can download the off-campus registration form from <http://reach.usiouxfalls.edu> (found under Policies & Information) and submit to me by the date specified above. The cost per credit hour for an off-campus graduate workshop through the University of Sioux Falls is \$45.

If you have any questions, feel free to contact me. Thank you for your continued partnership with USF.

Sincerely,

Stacy
